- a. file a copy of this Order in the separate file for such action;
- b. mail a copy of this Order to the attorneys for the plaintiff(s) in the newly-filed or transferred case and to any new defendant(s) in the newly-filed or transferred case; and
- c. make the appropriate entry in the docket for this action.

Each new case that arises out of the subject matter of this Consolidated Action and is filed in this Court or transferred to this Court shall be consolidated with this action and this Order shall apply thereto, unless a party objecting to this Order or any provision of this Order,

within ten (10) days after the date upon which a copy of this Order is served on counsel for such party, files an application for relief from this Order or any provision herein and this Court deems it appropriate to grant such application.

During the pendency of this litigation, or until further order of this Court, the parties shall take reasonable steps to preserve all documents within their possession, custody or control, including computer-generated and stored information and materials such as computerized data and electronic mail, containing information that is relevant to or which may lead to the discovery of information relevant to the subject matter of the pending litigation.
